

# WHY WAIT FOR AN MRI?

**Get an MRI  
and find out  
what's wrong.**

**We use a powerful  
1.5T GE MR System,  
comparable to or  
exceeding hospital  
grade scanners.**

Our scans give you and your physician the detailed information required to determine the optimal treatment that will lead to a timely recovery.

**NANAIMO  
MRI**

*Consult your physician to discuss  
what MRI Study you require.*

**Now accepting  
Physician Referrals  
250-591-5311**

1097 Nelson Street, Nanaimo, BC V9S 2K1
